OFFICE OF LEGISLATIVE COUNSEL

Monday - 28 December 1964

1. [] By way of follow up []

[] with Senator Hiram Fong and his administrative assistant, Mr. Robert Carson, I chatted with Mr. Carson, who has just returned from Hawaii. Senator Fong plans to take a trip through the Far Eastern area and wishes to have the benefit of CIA briefings before making such a trip. Carson advised me, however, that the trip is not planned for the immediate future. We discussed the possibilities of a visit to the Agency by Fong and Carson and will be in further contact with them in this regard.
